

**RED LINE IS THE CUT LINE**

The diagram features a light gray background with a thin blue border. A red line runs horizontally across the top, and a blue line runs horizontally across the middle. Two arrows originate from the red line: one points diagonally up and to the left, and the other points diagonally up and to the right. A long horizontal arrow points from the blue line to the left edge, and another long horizontal arrow points from the blue line to the right edge.
