

The diagram shows a rectangular layout with a light gray background. It features two concentric rectangles: an outer red line and an inner blue line. The red line is slightly larger than the blue line. Two arrows point from the text 'RED LINE IS THE CUT LINE' to the top corners of the red line. A horizontal double-headed arrow spans the width of the blue line, with the text 'BLUE LINE IS THE SAFETY LINE' and its explanation centered above it. At the bottom, the finished and bleed sizes are listed.
