

The diagram shows a rectangular layout with a light gray background. It features two concentric rectangles: an outer red rectangle representing the 'WITH BLEED' size (3.625x4.125) and an inner blue rectangle representing the 'FINISHED SIZE' (3.5x4). The space between the red and blue lines is the bleed area. Two diagonal arrows point from the top center text towards the top corners of the red rectangle. A horizontal double-headed arrow points from the center text to the left and right edges of the blue rectangle.
