

The diagram shows a rectangular layout template. A central vertical green line divides the page into two equal halves. Two horizontal green lines, one near the top and one near the bottom, divide the page into three horizontal sections. A horizontal blue line runs across the middle of the page, between the two horizontal green lines. Two diagonal grey lines extend from the center of the top horizontal green line towards the top corners of the page. A long horizontal grey arrow points from the left edge to the right edge, passing through the center of the blue line. At the bottom of the page, there is a block of text specifying finished and bleed sizes.
